CUVÉE BLANC

#### TASTING NOTES

Our goal was to produce a wine similar to Bordeaux Blanc. Rousanne was added to oak-fermented Sauvignon Blanc, producing a complex, serious food wine. Flavors of tropical & stone fruits are balanced with the refreshing acidity and integrated oak notes. Just as on the nose, the subtle toasty oak notes give the wine multiple dimensions. Enjoy now or cellar for 3-5 years.

#### WINEMAKING NOTES

75% of the Sauvignon Blanc was fermented in a French oak barrel where it underwent partial malolactic fermentation (50%). It spent a total of 15 months in oak with constant lees contact. The lees were stirred every 2 weeks for about 10 months. This process keeps the wine fresh as well as creating additional depth and complexity, especially on the finish. The remaining Sauvignon Blanc was aged in stainless steel, allowing the crisp, fresh fruit component to emerge. Rousanne was added to provide a richness, along with hints of roasted nuts and marzipan.

#### ABOUT GREYSCALE WINES

“Making wine is living our dream. Growing up with a family vineyard, avidly collecting wines for years, wine tasting in Bordeaux, and developing a curiosity about winemaking inspired us to create our own wine. In 2006, we met Kian Tavakoli, former winemaker at Clos duVal, who has helped us create small lots of premium Bordeaux style wines.”
